EXPERIENCE

Product Designer | Zeni Oct 2024 – Present | Pune

- Owned end-to-end design of Credit, Debit, Virtual and Physical Card experiences, growing active card customers **10x (10 → 100)** and total card spend from **\$50K to \$1M**.
- Designed an agentic AI experience for card management (AI CFO for Cards), translating complex financial logic into a conversational interface.
- Scaled a single virtual card experience into a flexible multi-card system, aligning design with engineering constraints and business roadmap.
- Simplified Bills, Treasury, Reimbursements and Expense Management workflows by restructuring information architecture.
- Recognized as **"Zeni of the Month"** (Dec 2025).

Senior Product Designer | JioCinema (Viacom18) Oct 2022 – Sep 2024 | Mumbai

- Led product design for Clips, a short-form vertical video platform, on a service that reached **449M viewers** and a world-record **32M concurrent viewers** during IPL 2023.
- Redesigned media player controls and content discovery flows to support retention and monetization.
- Built reusable UI components contributing to a shared cross-platform design system.
- Designed and iterated UX hypotheses for A/B tests across the Consumption POD.

Product Designer | MX Player Apr 2020 – Oct 2022 | Mumbai

- Designed end-to-end experiences across MX Player (**290M+ MAU in 2021**), MX TakaTak, and MX Games (**25M+ MAU**).
- Delivered high-visibility engagement features for Lock Upp and other live entertainment campaigns.
- Simplified complex interaction flows across Android and iOS for a broad consumer base.

Graphic Designer | MX Player Nov 2028 – Apr 2020 | Mumbai

- Designed visual assets for sports, entertainment, music and news campaigns — banners, thumbnails, push notifications, email creatives.
- Built a foundation in visual storytelling that evolved into product design expertise.
